

## CREATING MEMORIES AND HOPE FOR THE FUTURE

One of San Antonio's most challenging neighborhoods, Alazan-Apache Courts, is the largest housing project in the city with over 50% of its population under the age of 18. This community also deals with the highest single-parent home rate, crime, and gang violence. Children in this environment face many challenges.

This is the group of children Real Life Kids Camp is working with. RLKC provides a one-week camp for approximately 40 children, ages 7-11. Please consider joining us in supporting these kids by entering our 2018 Real Life Kids' Camp Golf Tournament.
