

MOTHER'S DAY OUT

Thank you for your interest in the Mother's Day Out program at River City Community Church. The purpose of MDO is to provide a safe and loving learning environment where children gain independence, engage in interactive play and form new friendships with other children and adult teachers. Your child will learn and grow using an academic preschool curriculum and through Bible-based themes implemented in our daily activities. Every week children are involved in an age-appropriate Bible lesson and worship time. Look forward to holiday and yearly events such as a Christmas musical and an End-of-Year program, including pre-k Graduation. These are just some of the ways we like to have parents involved in what your children are learning throughout the year. Everyone at MDO is thankful to the call that has been given to us from the Lord to partner with families in fostering learning and growth for God's most precious gifts.

For more information, please call the church office at (210) 490-5262, visit us at reallife.org/mdo/ or email the MDO Director, Shellie Broherd at mdo@reallife.org if you have any questions.
