

At River City Community Church, we believe families are meant to thrive together. Our **Mother's Day Out program** is designed to give little ones a place to learn, grow, and experience the love of Jesus in a joyful, caring environment. Through play, friendships, creative activities, and age-appropriate learning, children are encouraged to discover the world around them while building a strong foundation for life.

**☀ Summer Enrichment Program**

Our summer program is full of fun themed days, hands-on learning, music, outdoor play, and creative activities that keep young hearts and minds engaged all summer long. For your 1-year-old through elementary aged student.

**🍎 School Year Program**

Our school year program helps children grow socially, emotionally, and spiritually through play-based learning, Bible stories, and caring teachers who love investing in kids age 1-year-old through Pre-K 4.

**What families love about our program:**
